

All Natural Nano Surfactant

SYSTEMIC CARBON TECH[®]

Benefits

- Enhanced foliar delivery
- Enhanced plant cleanliness
- Increased nutrient uptake & efficiency
- Enhanced tank mix quality
- Doesn't clog spray tips
- Compatible with all spray systems

Cleargreen[™] is manufactured using organic and natural compounds to create a pure carbon energy nano liquid for plants. In the plant, these tiny carbon fragments convert into carbohydrates creating:

- **Increased nutrient uptake**
- **Faster cell division**
- **Healthier plant cells**
- **Deep leaf tissue feeding**
- **Larger leaves**
- **Rainfast in 10 minutes**

NATURE MEETS NANOTECH

ALL NATURAL NANO SURFACTANT

SYSTEMIC CARBON TECH[®]

Benefits Explained

Enhance foliar delivery

BETTER ASORPTION * FASTER ACTION * PRECISE APPLICATION * LESS PRODUCT REQUIRED * OVERCOMES SOIL LIMITATIONS * ALLOWS QUICK RESPONSE TO PLANT DEFICIENCIES

Enhance plant cleanliness

LESS CONTAMINANTS, PESTS, AND DISEASES * CLEANLY PLANTS CAN REDUCE THE RISK OF FOOD BORN ILLNESSES * MORE ATTRACTIVE * CLEANER PLANTS ARE LESS LIKELY TO SPREAD DISEASE TO OTHER PLANTS

Increase nutrient uptake & efficiency

BETTER PLANT GROWTH * REDUCED FERTILIZER USE * COST SAVINGS * ENVIRONMENTAL PROTECTION * HIGHER YIELDS * IMPROVED PLANT RESILIENCE * BETTER QUALITY PRODUCE

Enhance tank mix quality

BETTER PRODUCT MIXING & COMPATIBILITY * INCREASED EFFECTIVENESS * MORE EVEN APPLICATION * REDUCED WASTE * COST SAVINGS * TIME SAVINGS * REDUCED RISK OF CROP DAMAGE
